Job Title	Practice Nurse Manager – CNM1
Whole Time Equivalent	Full time
Taking up Appointment	Aug 2024
Duration of Post	This post is being advertised initially as a term contract of 12-month duration with a 3-month probationary period. May be extended subject to funding.
Location of Post	Amiens St, Dublin 1
Details of Service	The Inclusion Health Clinic in Dublin’s North inner city is for those who are not being served by other services including undocumented migrants, protection applicants without access to primary care services, as well homeless people. The Primary Care Service operates as a GP service with daily clinics and strong links and engagement with other services in the area caring for vulnerable cohorts. The team comprises GPs, Nurse and Medical Administrator.
Service mission, vision and values	<p>Safetynet Primary Care is a medical charity that delivers quality care to those marginalized in society without access to healthcare, including homeless people, drug users and migrants. We also facilitate a network of health services working with homeless people care to ensure a coordinated approach and promote best practice.</p> <p>OUR VISION</p> <p>Everyone has equal access to healthcare and should have a fair opportunity to attain their full health potential and no one should be disadvantaged from achieving this potential.</p>

	<p>OUR MISSION</p> <p>To deliver high quality healthcare services for homeless people and others socially excluded who otherwise would not receive care and to promote their wellbeing while advocating for an inclusive health system.</p> <p>OUR APPROACH</p> <p>We believe that everyone has a right to health care regardless of means, circumstance, race or creed. We try to think outside the box to implement services that adapt to the patient rather than expecting the patient to fit with the system. We do not judge people or blame them for their health condition. We see homelessness as an unhealthy state and do what we can to assist moving out of it. We respect the choices of our patients and work tirelessly to assist them in achieving health and happiness.</p>
