

# Homeless Podiatry Clinic Project

- Started 14<sup>th</sup> August 2018
- Monthly Service
  - “Normal” clinic closes between 2pm and 4pm so that only people availing of homeless service are present
  - 2/3 Podiatrists
  - 8-12 patient slots
- Bookings through homeless services
- Started due to a need for podiatry service
- What we provide....
  - Chiropody
  - Ulceration treatment/referral
  - Injury treatment (podiatry)
    - Achilles tendonitis
  - Foot screening
    - Neuropathy/ Vascular
- Limitations/ Problems
  - DNA patients
  - Service not being utilised enough
